e.g. Irritants  
Matches  
Life Rafts  
Scuba Tanks\*  
Aerosol Cans  
Pressurised Vessels  
Butane Lighters and Refills  
Explosive Devices of any kind  
Gas Cylinders\*  
(incl. home soft drink makers)  
Lithium Ion Batteries

\*Denotes these items can be carried if they have been purged.

### UPDATE: NOVEMBER 2024

#### Lithium Ion Batteries

Due to new rules, Lithium Ion batteries are unable to be shipped as part of your air or sea shipments. This includes batteries from: laptops, e-bikes, power tools, electric vacuum cleaners, scooters, hoover boards and the like. We are able to transport these for moves within New Zealand.
